We are so pleased that so many of our clients want to schedule private and group lessons with the instructors that they have met at camps and clinics. We ask that all lessons be scheduled through TownshendHockey@yahoo.com. For liability purposes, we have certain steps we have to take to ensure insurance coverage for each ice time. We are happy to honor requests for certain instructors. We are grateful to have such an outstanding staff and are happy to keep them on the ice all year long. We appreciate your help and cooperation with this.

Congratulations to Jonathan Girodano; a student from our camp at Chesswood Arena last summer. He was chosen as the OMHA Hometown Hockey Magazine's Underarmour Undeniable Athlete for the Fall 2011 edition. A copy of his article is attached to this email newsletter. We love hearing about the success of our students and want to feature you as much as we

can, so send along your updates to
 TownshendHockey@yahoo.com

Congrats again Jonathan!

Each year we are asked about possible discounts for our hockey camps. Due to the fact that we sell out every session and find ourselves scrambling to make more room, we generally do not offer discounts. We have decided to offer one this year as an incentive to sign up early. For all participants who register and pay the full deposit for boarding camps between now and December 31st, you will receive a 1 time \$125 discount off from your balance due. (You will not receive multiple discounts for multiple weeks) . All day camps will offer a \$50 discount when you register and pay in full. The discount code for day camps is **56507381** Don't miss out on this chance to save!

We wanted to take a minute to share some news with all of you. One of our year round staff, Kelley MacLennan , Director of Marketing and Client Relations, was recently diagnosed with Burkitt's Lymphoma. Her prognosis is great, her attitude is even better, but we did want to make you all aware that there are some big things going on with her, Jake, Ben and Neil (you probably met at least one of them over last summer). You will notice that there was a head shaving party in her honor in an attempt to make something fun out of her eventual hair loss and there is a photo at right. Notice the Townshend Hockey Sweatshirts! Please have patience if Kelley is slow in responding to any of your requests, as it is her intention to work throughout her treatments. We wish her the best throughout this journey and send her much love and prayers. ~Graeme and Lori-Ann Townshend

Where have you and your Townshend Hockey Apparel Been?

This is a picture of Townshend Hockey Student, Nicolas Gates working on his homework. We are told he was working on getting an "A". We love to see that Nicolas is working as hard at school as he does at the rink!
